

Chapter 37 Discipline Chart

Published online in [TASB School Law eSource](#)

This chart is designed to assist school officials in determining the appropriate disciplinary responses to student misconduct both on and off campus. The chart is based on the requirements of Texas Education Code chapter 37 and common provisions of districts' local student codes of conduct (SCOC). Before making any final disciplinary decision, school officials should always consult their local SCOC.

Key: ★ Chapter 37 states that a district “shall” take this action in response to the misconduct. [See Mitigating Factors, below.]

✓ Chapter 37 states that a district “may” take this action in response to the misconduct. The district may choose to impose this penalty if the district’s SCOC provides for this option.

* Chapter 37 does not specifically address this misconduct. The district may choose to impose a consequence if permitted under the local SCOC.

CBC Campus Behavior Coordinator

Important Notes

Campus behavior coordinator (CBC): A school district is required to appoint one CBC per campus to be responsible for maintaining student discipline and implementing discipline management techniques. Districts must also post each CBC’s e-mail address and dedicated telephone number on the district’s website. Even if the district is exempt from the requirement to designate a CBC through a local innovation plan, the district must post contact information for a campus administrator responsible for student discipline. [TEC 26.015.]

The duties of the CBC may be executed by a designee if the coordinator is unavailable or unable to promptly address the situation. [TEC 37.0012]

Coursework during disciplinary placement: The district is required to provide notice to the parent of a student who has been removed to DAEP of the opportunity to complete coursework required for graduation and any available methods to obtain such coursework. [TEC 37.008(l-1)]. In addition, a district must provide a student placed in ISS or OSS an alternative means of receiving all foundation curriculum coursework, including at least one option that does not require use of the Internet. [TEC 37.005(e)]

Criminal penalties: School officials may take disciplinary action regardless of whether law enforcement officials seek criminal consequences for the same misconduct. Nonetheless, the criminal consequences of a particular act or incident may impact school district discipline. For example, a student who engages in conduct punishable as a felony on or within 300 feet of school property or while attending a school-related activity is subject to mandatory placement in DAEP. [TEC 37.006(a)(2)(A)]

Disabilities: Special state and federal laws apply to the discipline of students with disabilities. See Policy FOF(LEGAL) and your SCOC. Before making a disciplinary decision regarding a student with a disability, school officials may want to seek legal advice to ensure compliance with the relevant laws.

Homelessness: A student who is homeless may not be placed in OSS unless the student engages in misconduct that is drug- or alcohol-related or that contains the elements of certain weapons offenses or violent offenses under the Texas Penal Code. [TEC 37.005] The CBC may work with the district's homeless liaison to identify appropriate alternatives to OSS. [TEC 37.005(d)]

Length of placement: The district's SCOC includes guidelines on the length of a removal to DAEP or an expulsion. [TEC 37.001(a)(5)].

Mitigating factors: Before deciding to assign a student OSS, DAEP, expulsion, or JJAEP, regardless of whether the decision is described as mandatory or discretionary in Chapter 37, a district must consider certain mitigating factors in relation to the student's misconduct: self-defense, intent, disciplinary history, a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the conduct, and the student's status as homeless or in the conservatorship of DFPS (foster care). [TEC 37.001(a)].

New students: If a student withdraws from school before an order of expulsion or DAEP is entered, the district may complete the proceedings and enter the order. If the student reenrolls in the district during the same or the subsequent school year, the district may enforce the order, reduced for time served. If the student enrolls in another school district, the new district may honor the order, or, if the preceding district failed to enter an order, the new district may complete the proceedings and enter an order. [TEC 37.009(i)].

Notice of student discipline: A CBC is required to provide prompt notice to a parent or guardian of a student who is placed in ISS, OSS, DAEP, JJAEP, or is taken into custody by law enforcement. This notice must be provided by telephone or in writing. If the coordinator is unable to make contact with the parent or guardian by 5pm of the first business day after the day the disciplinary action was taken, the coordinator must mail written notice to the parent or guardian. [TEC 37.0012]

Past misconduct: School officials are permitted, but not required, to remove students for mandatory DAEP misconduct if school officials did not learn of the conduct for more than one year after the conduct occurred. [TEC 37.006(n)].

Procedures: Before a student is removed from the regular classroom setting, school officials must typically follow an established procedure. The formality of these proceedings varies according to the seriousness of the penalty; for example, the Texas Education Code includes procedures for a conference in the case of a DAEP placement and a formal due process hearing in the case of an expulsion. For more detail on the required procedures, see the FO series of policies and your SCOC.

Temporary placement: Pending expulsion or DAEP placement, a student may be placed in ISS, OSS for up to 3 days, or another appropriate placement in accordance with the district's SCOC.

Transition to the regular classroom: The district must provide transition services for a student who is exiting DAEP and returning to the student's local campus. [19 TAC 103.1201(k)] In addition, the campus administrator or CBC must develop a personalized transition plan for a student exiting an alternative education program, including DAEP or JJAEP, to return to the regular classroom. [TEC 37.023]

Young students: Students younger than 10 must receive services in a DAEP if they engage in expellable misconduct. [TEC 37.007(e)(3), (h)]. However, a student younger than 6 may not be sent to a DAEP unless the student brings a firearm to school under TEC 37.007(e)(2). [TEC 37.006(l)]. Students below third grade may not be placed in OSS unless the student engages in misconduct that is drug- or alcohol-related or that contains the elements of certain weapons offenses or violent offenses under the Texas Penal Code. [TEC 37.005] A district may adopt and implement a positive behavior program as an alternative to traditional discipline for students below third grade. [TEC 37.0013]
