Due to some requests made by TEA and Region 14 we need to ask all students in 5th -12th Grades, Staff and Parents/Community Members to complete an additional survey. These surveys are for the use of ESSER Funds. ESSER is part of the American Relief Plan for loss of learning due to COVID. To date a portion of the funds were used to purchase our MAPS Program, hire additional Intervention teachers or portions of classroom teachers, cleaning and pay a retention stipend. It is important to keep up with TEA documentation to be able to collect remaining funds that were promised.

We are asking all WIN time Teachers and Homeroom teachers to have the students complete these surveys during WIN Time or Homeroom time on Monday, March 7.

Principals will share the links with Parents and Community members, but we also ask you to encourage those people to help us with this matter. The staff and parent/community surveys can be filled out anytime before Tuesday, March 8.

(Principals send any post, emails or links that you send to me, so I can share with TEA. )

Please share the correct link or links with each group:
